## Orchestras & Bands – The New Times Explained

Many of our members like to play in both Senior Orchestra Strings AND Wind Band in our concerts. In order to give them the opportunity to rehearse regularly with both groups, we have made some changes to the rehearsal times this year. Please note that this makes no difference to the fees payable; the fee for Senior Orchestra (including Strings or Windband or both) is the appropriate fee for 1.5 hours.

Members of the Jazz & Blues Band (now known as the Jazz Orchestra) have expressed a wish to play in the Wind Band, and the new timetable will enable them to do so. The Chamber Orchestra and the Senior Wind Ensemble are also at different times, so players may join both of these if they wish.

9.15-9.45 Senior Orch (Strings)	9.45-10.45	10.45-11.15	11.15-12.00	12.00-1.00
9.15-9.45 Senior Orch WW & Brass Sectionals (When needed*)	Senior Orchestra (Full)	Wind Band	Chamber Orchestra	Training Orchestra
9.15-10.45  Jazz Orchestra		11.00-12.00  Training Jazz Orchestra	12.00-12.45  Senior Wind Ensemble	

### Notes:

\*There will not be any wind sectionals on September 13<sup>th</sup>, therefore Senior Orchestra wind players will not be required until just before 9.45am. Thereafter, please refer to the rehearsal schedule on the notice board.

Any Senior Orchestra members who would like to help out at Training Orchestra either occasionally or regularly, would be most welcome.

Some class times may be subject to a change of 5 minutes to allow for breaks. If necessary, this will be arranged after enrolment, depending on who joins each class.
