RNLI CHRISTMAS SALE

I am pleased to say that the Christmas Card sale last term raised £170 for the RNLI. Thanks to everyone who supported this worthwhile cause.

EXAM RESULTS

Well done to Bronte Wilkinson who achieved 90/100 -distinction - in her grade 2 cornet exam. Congratulations also to her teacher, Rosie Nicholl.

ELECTRICAL TESTING

We have to have all our electrical equipment tested to comply with Health and Safety regulations. This affects mainly the Keyboard classes and groups that use amplifiers. We will be checking and testing the equipment and a sticker will be applied to the equipment. Please ensure that the sticker remains in place and if, during the school year, you obtain a different keyboard or power supply please let the Music Centre office know so that we can test that as well. If any other equipment is to be used or if you are unsure whether it is safe to use the equipment, please check with the office first. Battery powered equipment is not required to be tested.
